I have the honour to state that the opening of a maternity at Sagar was resolved upon by the Malnad Improvement Committee at their meeting held on the 27th March 1920, and that thereupon opinions of the Sagar Town Municipal Council and the District Board were invited with regard to the opening of the Maternity and the question of cost - both initial and recurring. The District Medical Officer who was requested by the District Board, to furnish an estimate of the recurring charges, recommended in his docket No.546 dated the 11th Aug.1920 that as an experimental measure, the two ward-rooms attached to the Female Dispensary at Sagar which can accommodate 4 patients may be used for the present and that if the institution became more popular, a new ward might be constructed. His proposal involves a recurring charge of Rs.448/- per annum (excluding the consolidated allowance) and a non-recurring charge of Rs.100/-. A copy of the District Medl.Officer's docket under advertance is herein enclosed for information.

2. The District Board and the Sagar Town Municipal Council, have agreed to the proposal - the former to contribute a moiety of the charges on the basis of the District Medical Officer's estimate exclusive of the consolidated allowance recently sanctioned by Government and the latter to spare a sum not exceeding Rs.25/- per mensem for the maternity. The Malnad Improvement Committee have also resolved at their meeting held on the 9th inst., that the non-recurring charges as well as one third of the recurring involved in the conversion may be met out of their funds.
